

Sun Break Vermouth

Small Batch, Oregon Apéritif Wine

Sun Break Wines has recently launched two small-batch, Oregon vermouths. These are compelling and heady mixes of floral, fruit, spice, herbal and bitter botanicals with great flavor intensity; and naturally high acid wines.

Our vermouth style emphasizes floral, fruit, spice notes (rather than sometimes overly bitter and medicinal styles found in other brands).

David's background and inspiration for Sun Break Vermouth is his southern France heritage (Provence, the Alps, Cote D'Azur) where vermouths are enjoyed on their own, chilled, as apéritif wines. These are also wonderful on ice with a twist of lime and/or with soda water; and of course, they shine in cocktails.

Sun Break Vermouths are aromatized, fortified wines of quality with great harmony – the Pinot Noir base wine, the spirits (distilled locally from Oregon wine), the no-spray and organic botanicals and sweetness become a symphony that is greater than the sum of the parts.

Some vermouths in Europe are made from aromatic grapes such as Moscato or Nebbiolo; the primary fruit aromas from these grapes show up in Italian-style vermouths. Our vermouth is inspired by French styles and are made from more neutral, but bright red and rosé base wines with the dominant aromas and flavors coming from the botanical infusions.

Organic and No-Spray Botanicals: We grow and collect several no-spray botanicals from our property in the Willamette Valley including the wormwood. All other botanicals are sourced from certified organic growers.

Sun Break Rosé Vermouth: Pale rose-orange pink. Compelling floral notes with citrus, rose, alpine meadow, spice and bitter orange. A blend of 17 old and new world floral, fruit, herb, spice and bitter botanicals including rose petals, hibiscus flowers, rose hips, elder flower, orange peel, lemon peel, angelica root, gentian root, anise seed, fennel seed, coriander, sage, lemongrass, cinnamon, ginger root, roasted chicory root and wormwood. The base wine is a Rosé of Pinot Noir (Rogue Valley, Oregon), the brandy is distilled from Pinot Noir (Willamette Valley). Residual sugar: 3%; ABV: 16.7% **124 cases bottled December, 2021. TTB COLA: 21246001000627 SKU: 00195893411214**

Tasting note (Savannah Pearce, Valkyrie Wine Tavern): *This soooo exceeded expectations... it is flawless. Beautiful, airy rose', voluptuous with vermouth weight. Balanced in that the nose showcases mighty, hyper local terroir in herbs, spices, botanicals like lavender, peppermint, cinnamon, and Douglas fir; whereas all the pristine fruit makes it best-day/peak season appearance on the palate: red apple, wild strawberry and dried raspberry floating on glacial earth and pink rose notes into infinity.*

Sun Break Red Vermouth: Vibrant ruby red in color. Dusty nose with heady baking spice, woody cedar, orange peel, cherry/cranberry flavors with bitter and nutty cardamon highlights. A blend of 20 old world and new world floral, fruit, herb, spice and bitter botanicals including cardamon, cinnamon, roasted chicory root, maqui berries, juniper berries, rose hips, elder flower, orange peel, sage, grains of paradise, angelica root, gentian root, horehound, blessed thistle, anise seed, fennel seed, wild cherry bark, elecampane root, Oregon grape, and wormwood. The base wine is Pinot Noir (Willamette Valley), the brandy is distilled from Rose' of Pinot Noir (Willamette Valley). Residual sugar: 9.5% ABV: 16.7% **123 cases bottled May, 2022. TTB COLA: 22101001000673 SKU: 195893370610**

Tasting note (Savannah Pearce, Valkyie Wine Tavern): Packed with cherry and cinnamon Red Hot candy redness, and all the organic botanical notes like allspice, dried rose, lavender brought together in the richness of cigar box and sandalwood.

Company Practices: We are a *One Percent for the Planet* member, donating one percent of all sales to environmental projects including projects that provide 66 tons of carbon offsets.
